FROM THE PRINCIPAL’S DESK

NAPLAN Testing – 13, 14, 15 May

Like all schools nationwide, we have a busy time ahead of us in the next few weeks, with our Year 3, 5 and 7 students participating in the National Assessment Program – Literacy and Numeracy (NAPLAN).

Students in Years 3, 5 and 7 will be assessed in the areas of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. Within the Numeracy test Year 7 students undertake a calculator-allowed test, followed by a non-calculator test.

We expect that the test results will be sent to our school in September this year, and an individual NAPLAN report for each student will be sent home. These confidential reports will show your child’s results against key national information in each year level.

Our school will use the information in a number of ways, primarily to better identify students requiring additional support, and to identify strengths and improvement areas in teaching programs.

While the NAPLAN report is an important measure of how all students are performing, it is important to remember that it is only one aspect of the school’s assessment and reporting process.

It does not replace the more extensive and informed judgements made by our highly skilled and experienced teachers.

It is important that students receive ongoing support at home throughout the year in developing literacy and numeracy skills. For tips and information please visit http://education.qld.gov.au/literacyandnumeracy/

For information about NAPLAN tests please visit http://www.nap.edu.au/

2015 High School Information Evening

Our Cluster of Schools is hosting a Flying Start Information Evening on Wednesday 7th May at 6pm at the Middle Ridge State School Hall.

This session is open to all parents with the information predominantly aimed at students starting High School in 2015. Information regarding High School will be presented by CHSHS staff. Please ensure that you have read CHSHS Enrolment Article if you are considering enrolling your child in 2015.

Follow 2014 Premier’s Anzac Prize winners’ overseas journey

You can follow the epic journey of the five 2014 Premier’s Anzac Prize winners as they travel to Gallipoli and the Western Front. The group departed Brisbane on Easter Sunday and photos, video and travel journals from their 14-day trip will be regularly uploaded to http://education.qld.gov.au/students/grants/scholarships/anzac/2014.html.

ANZAC Day Parade

Tomorrow we will hold a special ceremony to acknowledge the contribution of not only the men and women who served us in World War 1, but also all the men and women who have served and are continuing to serve our great nation in the armed forces.

Lieutenant Colonel Scott Nicholls CO School of Army Aviation will address our assembly. We acknowledge the families of serving members and how difficult it can be to have an absent parent. While we know that this happens in many families where either parent works away from home for periods of time, generally those are for financial reasons rather than serving our country.

We encourage families to attend our service to acknowledge that we live in a country that is free of war and constant fear of terrorist attacks.

SCHOOL PHOTOS

School Photos will be taken by ‘Queensland School Photography’ on Monday, 19 May. Payment envelopes have been sent home with today’s newsletter and are to be returned to the photographers on 19 May. Envelopes for family photos are available from the school office. Please note that family photos will be taken before school, from approx. 8.20am.

We value: Achieving our Best, Being Respectful and Responsible, Caring and Confidence
CHAPPY CHATTER
Self-doubt and lack of confidence hold more kids back than any other factor. You can send kids to the best school available but they won’t be happy and achieve unless they feel confident in their abilities.
Real confidence-building is the most important skill you can develop as a parent. Children with healthy self-esteem and self-confidence learn more, achieve more, have more friends and are generally happier than those with low levels of confidence.
Building a child’s confidence is complex. It is not just a matter of becoming a praise robot heaping positive comments on kids at the first sign of them doing something well. For some children praise is meaningless.
CONFIDENT kids take learning risks; they can separate themselves from failure or lack of success; and they aren’t dependent on the approval of their parents. I guess this last reason is why so many youngest kids are risk-takers as they are not as concerned as eldest kids about the approval of their parents.
But knowing this stuff is one thing. Getting inside kids’ heads and shifting their thinking is another thing entirely.
Self-esteem and confidence-building is more than developing children’s capabilities as very competent children can be filled with self-doubt. You have do more than teach them to be optimistic as a Pollyannish feel-good view of the world won’t mean a child will take risks when they meet real challenges.
You need to tackle children’s lack of confidence on a number of different fronts – that is, what they think, how they feel and what they do.

Head, Heart, Hands approach
My Head, Heart and Hand approach shows parents how to tackle confidence-building on three different levels.
• foster positive mindsets in kids and a real sense of optimism.
• help your child overcome their fears and anxieties, so they can take more risks socially and academically.
• develop a lasting sense of independence and self-sufficiency so they can really start achieving

OSHC
Hi and welcome to term 2 of OSHC news! We had a great vacation care period, with lots of play, creating and Easter eggs (and that was just the educators)…..
There is a bit of lost property, if your child attended but doesn’t attend after school care, please pop in and check our stock!
REMINDER FOR ALL PARENTS USING OSHC
As per the OSHC Parent Handbook:
• All accounts must be paid up to the current week of usage by the 30th April 2014. Overdue fees will be charged from this date and your place may be cancelled.
• All child absences must be reported to the OSHC office; through our communication book; by phone 46315266; or by email dqin45@eq.edu.au.
As there is currently high demand for places as OHSC, three consecutive unexplained absences of your child on a booked day MAY result in your booking cancelled and your child being placed on the waiting list for a place.
Please don’t hesitate to contact Davina by phone or email above if you have any queries.

MUSIC NOTES
Classroom / Choir Music Notes
Welcome back everyone to another busy term of music at Gabbinbar, particularly for the School Choirs, as you will see below.

CLASSES:
All classes will continue with their multi-layered multi-instrumental arrangements in classes with Mr. G.
This involves the learning of a simple melody, which can be sung or played (on Recorder, Glockenspiel and/or Xylophone) with the gradual addition of extra rhythmic melodies or percussion parts. This will give the children exposure to up to 4 or 5 parts to play or sing within the simple piece of music – hard work, but great fun over the weeks that it takes to put it together.

CHOIRS:
The two choirs will be attending 2 different festivals this term. The Junior (G3 & 4) Choir will be competing in the Toowoomba Eisteddfod, while the Senior (G5,6 & 7) Choir will be attending the Bi-annual SINGOUT festival.

THURSDAY MAY 15:
• CHORAL EISTEDDFOD – THE EMPIRE THEATRE.
• JUNIOR CHOIR: Session 27, SECTION 17. 6:00pm
The information letter is coming home this week.

TUESDAY JUNE 10
• SINGOUT – THE EMPIRE THEATRE
• SENIOR CHOIR: A full day workshop, and combined choirs twilight concert.
A full information letter will be produced shortly.
To meet these commitments, it is very important that each child attends every practice scheduled between now and then to maximize their rehearsal times with the choir. Non - attendees may be excluded from performing.
If your child is in either Choir, they should have now been fitted with a Performance Uniform.

Brett Gredig.
Classroom Specialist and Choir Conductor.

ORAL HEALTH CARE FOR SCHOOL STUDENTS
REGISTRATION TO PARTICIPATE

Free dental care through the Child and Adolescent Oral Health Service (School Dental Service) is offered to all Queensland students from the age of four to the completion of Grade 10. The dental team consists of a dentist, dental therapists, oral health therapists and dental assistants. You will be advised if your child needs specialist dental treatment.

Students at Gabbinbar State School are being offered dental treatment. Children will be offered treatment as family groups from Prep to Year 7. This allows for children in the one family to be treated together, increased parental involvement and a more informed consent.

If wheelchair access is required parents will need to take their children to the dental clinic at Toowoomba Hospital.

If you would like your child/children to participate in the free dental care programme, please complete each section of this registration for oral health services form, sign and return it to the School Office by Tuesday 29th April 2014.

Please note that by signing this form, you are only advising our service of your wish to participate in the dental care programme and providing personal information to allow us to contact you.

Please remember
- The dental van will be at the school.
- There are limited appointments available before and after school and most appointments will have to be during school time
- Oral Health does not accept any responsibility for transport of the children to and from their appointments
- Parents/Legal Guardian must attend all appointments.
